The TKH Implant Clearing Protocol™

Anything preventing this is commanded to be healed now too. Thank you"

TKH Directive:

"I now command that all RESIDUE from implant clearing be thoroughly cleansed and cleared in the highest and best way...all the holes filled with love and light Thank you"

RE-DEFINE

If not 100% improved yet, ask why:

- Is it because I need to heal something else first?
- Is it because this healing needs to process?
- How long will it take to process? (usually less than 3 days)
- Is it because I have to wait a little longer to re-test?

REMEMBER!
