TKH CLEARING PROTOCOL

1. **Recognize** what energy/toxin needs to clear
2. **Release** and uncreate the negative energy
3. **Recheck** the above in all timelines to see if it completely cleared

GENERAL CLEARING PROTOCOL

TKH Directive:

"I now command that all toxicity energies of any type affecting me or my soul destiny partners in any timeline, be pulled, cancelled and uncreated in the highest and best way, in all directions of time, with ease, speed and grace thank you!"

SPECIFIC CLEARING PROTOCOL

TKH Directive:

"I now command that all _____ energies, including everything and everyone associated with it, be clean, cleared and uncreated in the highest and best way, all directions of time, in all timelines where I exist, with ease and grace. Thank you!"

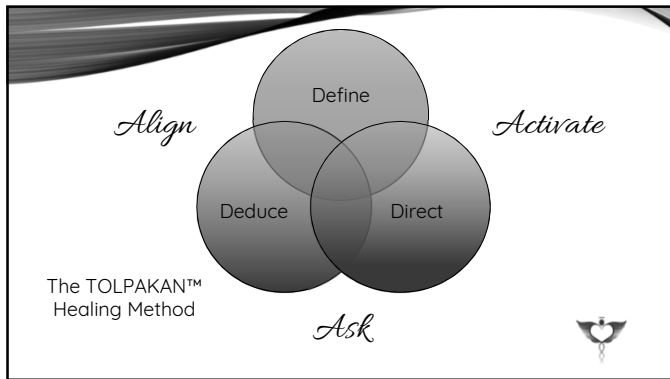

RE-DEFINE

If not 100% improved yet, ask why:

- Is it because I need to heal something else first?
- Is it because this healing needs to process?
- How long will it take to process? (usually less than 3 days)
- Is it because I have to wait a little longer to re-test?

REMEMBER!

Daily Prescription:

- Autoimmunity-Allergy Rescue Remedy MP3 1-6 x a day
- Reset and Reboot 2.0 1-6x a day

Intention-based

- Ascension 1 – clears and cancels - 1x/day or looped
- Ascension 2 – repairs and rebalances - 1x/day or looped
