

Ascension 1 All-In-One Clearing and Protection MP3

This program contains multi-dimensional layers of infused healing frequencies that clear negative energies and enable protection on multiple levels. You just play the program and focus your attention on your target and the program does the heavy lifting for you. Using the combined power of the archangels called TOLPAKAN™ healing, this energy-infused product is used to release and remove harmful energies from whatever or whomever you target, addressing issues from past, present, future, multiple dimensions and universes. It is called All-in-One because it addresses every conceivable imbalance currently known and is energetically upgraded weekly as new frequencies become available with each Ascension event. Here is a partial list of what Ascension 1 All-in-One Clearing and Protection does. It removes and transmutes:

- All darkness and all that is non-beneficial (including all memories) into being Light and beneficial
- All low vibrational entities, hidden or apparent, including monkey demons and Dark Watchers, Lower Realm, disembodied spirits, soul fragments, Dark Angels, demons, attached to, influencing any sentient or non-sentient being, place (including astral realms), object, molecule, atom, subatomic particle, wave or smaller be cleansed and healed in all directions of time
- All hidden and apparent curses, hexes, implants, booby traps, post-hypnotic suggestions, cords, funnels, filaments, energy suckers, negative filters, vortexes, deflector shields, reverse shields, saboteurs, dimensional rifts, hidden or apparent, be dissolved, uncreated in all directions of time
- All hidden and apparent toxins including physical toxins, energetic toxins, spiritual toxins, emotional toxins, mental toxins, hidden or apparent, be released, dissolved and uncreated in all directions of time
- All hidden and apparent non-beneficial energetic imbalances including emotions, emotional resonances, heart walls, psychic traumas, Miasms, idea allergies, physical allergies, intolerances, physical blows, emotional blows, negative effects of mass consciousness be dissolved and uncreated in all directions of time
- All hidden and apparent non-beneficial energies causing the Assemblage beam, Hara Line, and Chakras and their connections to be unhappy or preventing it from being perfectly happy, be healed, removed, uncreated in all directions of time
- All non-beneficial Consciousnesses controlling or influencing target or Oversoul overlap be removed and the auric shield modulated to neutralize any other foreign consciousness.
- All hidden and apparent non-beneficial extraterrestrial interferences including projected thought forms, frequencies, infections, devices, implants be removed, transmuted and healed in all directions in time.
- All infections, hidden and apparent, earthly or off-earthly, be transmuted, healed, in all dimensions and directions in time without detoxification symptoms.
- All hidden and apparent harmful, non-beneficial thought forms including psychic attacks, leading energies, hidden and apparent be dissolved and uncreated in all directions of time
- All non-beneficial or harmful morphic fields preventing optimal health and happiness be removed, dissolved and uncreated

Ascension 1 All-In-One Clearing and Protection MP3

- All hidden and apparent non-beneficial vows, contracts, broadcast messages, memory fields, images, despair anchors, negative programs be dissolved, transmuted and uncreated in all directions of time
- All hidden and apparent noxious energies EMF frequencies, microwaves, HAARP, geoengineering, military and ET frequencies be dissolved and uncreated in all directions of time
- Any other hidden or apparent non-beneficial energies not already mentioned whether it be from the past, present or future, be removed, transmuted, and uncreated
- All holes or hidden holes from the removal of non-beneficial energies be filled with the highest vibration of Love and Light and anything preventing the holes from being filled be immediately healed in all directions of time
- A self-erecting, self-evolving, self-modulating, self-repairing Light shield be placed that only allows positive beneficial energy in and deflects all non-beneficial energies with Love. This shield can immediately detect hidden or apparent non-beneficial energies and can immediately respond with the Highest Love and Light. And the auric, astral, oversoul, photonic shields all be fortified to 100% intact = Universal Shield that has the Vibrationally-Enhancing Vortex (Clearing Vortex of Source Light)
- Anything preventing connection with Source 24/7 be cleared and healed in all dimensions and directions of time and all healing infused with and amplified with Unconditional Love.
