

Ascension 2 All-In-One Healing and Integration MP3

This program is a multilayered infusion of healing frequencies that work like a magic wand to download and activate positive healing frequencies and to assist in integrating your Ascension into higher dimensions. You just play the program and focus your attention on your target and the program does the heavy lifting for you. Using the combined power of the archangels, called TOLPAKAN™ healing, this product is infused with powerful beneficial energies and Morphic fields that shift your reality to a higher state of health, joy and well-being. It will benefit whatever or whomever you target. It is called All-in-One because it supports healing in all lives (past, present, future), all dimensions, and all Universes and is energetically updated weekly as new information is available with each Ascension upgrade.
